OPELCONNECT – LIVE NAVIGATION PLUS

Benefit from our OpelConnect Live Navigation Plus Services and activate them in the OpelConnect Store. These services are offered free of charge for 3 years for all new vehicles with navigation systems. Upon receiving the email confirming activation of services, follow the steps below to activate Live Navigation Plus in your car.

U Start your vehicle and wait until the infotainment system is fully started. Ensure you are in an area with GSM network coverage (avoid for example underground car parks, etc.).

2 Tap on the messages icon on the upper right of the navigation screen.

(4) Now tap on the globe symbol to update the service and connection status.
